If you do not know which class to sign-up for All TOT and Samurai Classes are age appropriate- Children must be the age listed for that specific class by the first day of class that they sign-up for. All Spring Session Students should stay at their current class level. New students should enter at a beginner level. If you have a special circumstance that needs addressing please contact us. Skill tests are not available at this time.

Things are different here at North Shore and we have been busy making adjustments to safely bring your children back into the facility. We are attaching our **Phase One: Stage Two** outline so you know what to expect.

Some changes we have in our Summer Program:

Student to Teacher Ratio: Is no more than 6:1 and as few as 4:1 for Tots depending on Age.

Class prices are listed for 9 weeks and your 10th week is FREE! Due to our reduced class sizes we cannot offer a flexi-schedule.

We cannot offer make-ups at this time, due to the orchestration of traffic flow. July 4th Make-up Day due to *our* closure for the Holiday is listed in the brochure.

Registration Packets will be provided for all Summer Session participants that will include all procedures and documents necessary to provide a safe and fun return to the facility.

WE ARE SO EXCITED TO HAVE YOU BACK!!!
